SURFACE OPTIONS

Eleganza 3 is designed with open architecture to allow flexibility to choose a surface that meets your specific wound care needs. Regardless of the surface, our ErgoFrame® positioning system moves in harmony with the surface to help reduce pressure in the sacral area as the bed articulates.

- Protevo APC™ convertible alternating pressure mattress
- Protevo ST™ static air mattress
- Bodyzone™ iGel advanced pressure redistribution mattress
- Bodyzone™ prevention mattresses

Eleganza 3

Mobi-Lift® Sit-to-Stand
